Websites

From Ameer, VA6QAS:

PSK reporter – who hears me, and where are they – For digital HF modes ...

<https://pskreporter.info/pskmap.html>

QSO maps – same thing, but not just geared to me – everyone all over

<https://www.dxmaps.com/spots/mapg.php?Lan=E>

For APRS – well only one place to really find out who's who in the zoo ... and what cage they are in: www.aprs.fi

For WiresX – C4FM

https://www.pistar.uk/ysf_reflectors.php

and most important – When NOT TO BE on the Air. LIGHTNING Detection

<https://map.blitzortung.org/#2.23/45.36/-65.16>

Websites Cont'd

From Neeroo, VE6NRO:

Favourite CW learning website (Learn CW Online):

<https://lcwo.net/>

From Garry, VE6CIA:

By far, the BEST source of radio manuals anywhere to be found: www.mods.dk

From Brent, VE6BXB:

Antenna calculators and info: <https://m0ukd.com/>

Websites Cont'd

From George, VE6JZZ:

For home brewing projects:

<https://www.mouser.ca>

<https://www.digikey.ca/>

<http://www.polarwire.com> (cables)

For ham radio gear:

<https://www.dxengineering.com>

For ham radio software (Afreet):

<http://www.dxatlas.com/Download.asp>

For Reverse Beacon Info (CW):

<https://rbn.telegraphy.de>

For learning CW (CW Academy):

<https://cwops.org>

YouTube Videos

From Neeroo, VE6NRO:

Great information on the ICOM IC-7300:

Ham Radio A2Z <https://www.youtube.com/c/HamRadioA2Z>

Good source of technical information:

W2AEW <https://www.youtube.com/@w2aew>

From Justin, VA6JMD:

<https://www.youtube.com/@KB9VBRAntennas> (lots of POTA/SOTA, reviews, tutorials)

<https://www.youtube.com/@HamRadioCrashCourse>

<https://www.youtube.com/@HamRadioConcepts>

<https://www.youtube.com/@HR4NT> (Ham Radio for Non-Techies)

Off-grid solar power guru

<https://www.youtube.com/@WillProwse>

Physics Videos

<https://www.youtube.com/@EugeneKhutoryansky>

YouTube Videos

From Pat, VE6PDS and Brent, VE6BXB:

Dave Casler: Very clear and understandable training videos: “Ask Dave”

<https://www.youtube.com/channel/UCaBtYooQdmNzq63eID8RaLQ>

From Bud, VE6CSX

Hundreds of tutorials from Tom, WA2IVD – especially useful for IC-7300 (40+ videos).

<https://www.youtube.com/@HamRadioA2Z/featured>

Major Resource Link From Steve, VE6EVL
